## EXTRA CURRICULA PARTICIPATION

It is an expectation that all students who wish to participate in Extra Curricula activities (including excursions and SAPSASA) are be up to date with their school work, have a positive attendance rate and consistently make appropriate behaviour choices.

The Principal, in consultation with relevant teachers, will have the final say on student Extra Curricular activity or SAPSASA attendance.

No student is to attend an Extra Curricular / SAPSASA event unless they are competing in the said event.
